Dear Pastor, Church, Supporters;

Ephesians 5:20 Giving thanks always for all things unto God and the Father in the name of our Lord Jesus Christ;

I have been in the US since the 15th of Nov and have enjoyed many things already since my short time here. Thanksgiving, (day) is past, but not the doctrine. We should not need a day of (remembrance) before coming together as a Nation, people, families and or individuals. We should have GOD'S Word written upon our hearts and we should start our day and end our day with 'Thanksgiving' to our LORD!

I am starting to prepare my itinerary to visit any church that would take interest in me coming by to update you and present what the LORD is doing in the mission work.

I indicated in a short report prior to departing PNG, that I would not lodge long in the US, and would make my time here productive. This means, I will notify the pastor of a supporting church by email as well as telephone, in order to confirm dates.

I want to reiterate here, I will give some room for workability within dates, however I will not tarry long in a area. Once you have received this report, I would strongly suggest that if you have a interest in my coming for a visit, please respond via email at (panagioite04@gmail.com) my mobile number is in the process of going through some changes therefore at this point it is not advisable to call a non-working number.

I will LORD willing be in the West Coast area during the month of January and perhaps part of February unless the LORD deems otherwise.

If, the LORD should lead and open doors between points, I will acknowledge this and approach it from that standpoint.

Because of HIM,

Missionary Peter A. Halliman
